

## Testimonials

“This is a great service. It’s given me the peace of mind I’ve always wanted in regards to my son’s health, and having the exam at the school made it so easy.”

Judy Yonker – Parent

“Having Sportlink is very reassuring. At the end of the day I know that I’ve done everything in my power as the school trainer to provide quality, preventative healthcare to my students.”

Tom Bentley – Athletic Trainer  
Andrew High School

“What used to be a disruptive, time-consuming experience for everyone involved is now remarkably painless. Thank you, Sportlink.

Jerry Kemstehd – Alex Martino Junior High

“Simply from a school liability standpoint, this exam is necessary.”

Roger Sikkenga – Superintendent  
Chicago Southwest Christian Schools

“This physical seems so much better than the one we got last year, and it was a whole lot more convenient for my parents, not to mention for me!”

Brad Holwerda – Student

“The subject of sudden death in athletes is complex. There are many causes, and at this time, we cannot identify the majority of them. What we can do, and in fact are committed to do, is use the latest technology in a cost-effective manner to identify that ‘one athlete’ who would have been missed.”
